Justin and I are settling on land in the Red Oak District.

We will start building our home once completed. (April '20)

The goal is to have our home finished by August, but you never know with construction.

We wish to have both of our children in the Red Oak Schools starting in August '20. Instead of transferring them once the school year has already began. This will make for a smoother transition, especially for our special needs daughter, Delilah.

Thank you!
